MESSAGE FROM MANAGEMENT

Sika South Africa, the South African subsidiary of the worldwide Sika Group, was established in 1988. Sika is a globally integrated speciality chemicals company, with a leading position in the development and production of the systems and products for waterproofing, bonding, sealing, damping, reinforcing, and protecting in the building sector and motor vehicle industry.

Sika South Africa regards itself as a “multi-domestic” company, putting the needs of its local customers at the very centre of its business activities. The company’s products and systems, backed by comprehensive service packages, are carefully tailored to local market needs and ensure sound business principals are always put into practice.

Sika South Africa has 8 regional offices, including the Namibia and Botswana branches, and employ more than 160 people. Our manufacturing sites are based in KwaZulu-Natal and Gauteng. Furthermore, we have a well-established export department that serves numerous African countries.

Within South Africa, as in all other group locations, Sika operates to optimal levels of performance, demonstrated through possession of EN ISO 9001 certification for quality control, EN ISO 14001 for environmental management and the most recent EN ISO 45001 for development, production and distribution of systems and products in the building sector and industry.

Sika products are used in a wide array of applications and always fulfil the highest quality standards. The reputation for Sika for quality and reliability is virtually unmatched, illustrated through a comprehensive portfolio of problem solving products that have been employed for many years in wide diversity of applications.

VALUES AND PRINCIPLES

Sika has become a global market leader for specialty chemicals. Today, Sika stands for premium product technologies and first-class service around the world.

We take long-term perspective on the development of our business and we act with respect and responsibility towards our customer, our stakeholders, and our employees.

The future success of our company is not only dependent on pursuing the right strategy but is just as much based on the trust and dedication of all our employees.

This continued success is driven by our five Values and Principles:

- CUSTOMER FIRST
- COURAGE FOR INNOVATION
- SUSTAINABILITY & INTEGRITY
- EMPOWERMENT & RESPECT
- MANAGE FOR RESULTS

WE ARE **SIKA**

Sika is a specialty chemicals company established in 1910 in Switzerland, with a leading position in the development and production of systems and products for waterproofing, bonding, sealing, damping, reinforcing and protecting in the building sector and motor vehicle industry.

OUR STRATEGY

The Sika growth model is synonymous with long-term success, as well as sustainable and profitable growth. By targeting the strategic pillars of market penetration, innovation, operational efficiency, acquisitions, sustainability – and driven by its strong corporate values - Sika is growing successfully.

WHAT WE DO **BUILDING TRUST**

Trust is the foundation of our partnerships and collaborations. For us it is demonstrated in the quality of our work and is the result of our innovative power and perseverance. However, it is not a static state, but a continuous process that needs to be actively cultivated. The Sika brand exists because we continue to invest in building trust, every day.

MORE THAN 110 YEARS OF EXPERTISE

Sika's reputation for quality and reliability is virtually unmatched and is illustrated through a comprehensive portfolio of problem-solving products that have been employed for many years in a diverse range of applications. Whether we are waterproofing your basement or your roof, sealing your skyscraper or your car, or working with you on your house or your multi-storey building, you will see why we are renowned for Building Trust.
